

Bob Harrison, B.A., FCIP, FRM, CFEI

Branch Manager

ENVIRONMENTAL SOLUTIONS® Remediation Services

Bob Harrison joined the **ENVIRONMENTAL SOLUTIONS®** Remediation Services team in 2008 and brings with him over 20 years of experience in the insurance industry. Bob's experience is unique in that he has been employed on both sides of the industry "equation" having been employed for many years as a large loss adjuster in the independent adjusting field, as well as working for an international insurance brokerage firm as a commercial broker. Bob's "claim to fame" is having one of his landmark claim files successfully defended at The Supreme Court of Canada.
