

Michel (Mike) Laberge, BES, CRM, CIP
Assistant Vice President
ENVIRONMENTAL SOLUTIONS® Remediation Services

After graduating from the University of Waterloo with an Honors Bachelor of Environmental Studies in 1984, Mike began his career in the Insurance Industry. Dedicated to the claims side of the business, he brings over 23 years of experience to the **ENVIRONMENTAL SOLUTIONS®** team. Having worked for underwriters and national independent adjusting firms, Mike has held various positions progressing from entry-level claims representative to executive. His specialties include major property, liability, commercial risk and environmental. In his latest role, with **ENVIRONMENTAL SOLUTIONS®**, Mike is focused on continuing to build solid client relationships.
